Secrets to Effective Communications with Technical People

6:00 pm

*"I just asked him for time and got a lecture on
how to build a clock!"*

Is it possible to communicate with technical people without losing your sanity? Technical people can Make you a lot of money or cost you plenty. Learn PRACTICAL secrets from an insider.

- Are technical people different?
- How to inspire them
- What to avoid
- How to get great results

Jack Dhuwalia is an Engineer who enjoys sharing his experience of over 30 years with others with a sense of humor. He presents a unique point of view of not only as an engineer but also working with engineers and others to produce timely results such as productivity and quality improvement, and implementing world-class quality systems in medical industry. Mr. Dhuwalia delivers extraordinary results with enthusiasm and brings innovative ideas to life. He is the president of JD Consulting and holds advanced degrees in engineering and business.
